### **Developments in Digital Regulation in Asia Pacific**

Professor Deborah Healey

Co-Director, Herbert Smith Freehills CIBEL Centre, UNSW Law and Justice; Deputy Co-Director, JCICEL

Deborah Healey is a professor at UNSW Law and a co-director of Herbert Smith Freehills China International Business and Economic Law (CIBEL) Centre, UNSW Law & Justice. She is also a member of the Centre for Law, Markets and Regulation. Her research and teaching focus on competition law and policy in Australia, China, Hong Kong and the ASEAN nations and she has written widely on them over a long period of time.

She is a regular visitor to those jurisdictions to research and teach. Within the area of competition law, she is particularly interested in the role of government in the market, both in Australia and internationally; merger regulation; competition in banking and finance; and the digital economy. Deborah has undertaken substantial research in the development of the Anti-Monopoly Law of China against the background of its political economy and has written widely alone and with Chinese co-authors and in material translated into Chinese. She has consulted with, and completed research projects for, UNCTAD, OECD and ASEAN. She is a Non-Government Adviser to the International Competition Network and a member of the Law Council of Australia Competition Law Committee.
